Love & Marriage from a Kid's Point of View

What is the right age to get married? "Twenty-three is the best age because you know the person FOREVER by then." Camille, age 10

How would you make a marriage work? "Tell your wife that she looks pretty, even if she looks like a cement truck." Ricky, age 10

What does your Mom and Dad have in common? "both don't want any more kids." Lori, age 8

One day an American saw a Chinaman putting a bowl of rice on the grave of a departed loved one. He couldn't help but ask "When do you expect your friend to come up and eat the rice?" The Chinaman replied, "Same time yours comes up to smell the flowers."

Two Indians were getting their first view of water skiing. "Why man drive boat so fast?" asked one. "Has to," replied the other, "Little man with string chase him."
