THE SAME HAND

The children of Israel had not gone far from the shore of the Red Sea when the realities of their new freedom began to register. They no longer enjoyed the ample food and water supply of Egypt. Now, after traveling 3 days into the wilderness, the large crowd had no water. And when they finally arrived at the oasis of Marah, the water was bitter (Ex. 15:23).

Thus the children of Israel were compelled to rely on a miracle. So they cried out to Moses, and Moses cried out to the Lord. The Lord showed him a tree, which Moses cast into the water. Miraculously, the water turned sweet.

The transformation of the water was a miracle akin to the

plague of blood sent to Pharaoh and the Egyptians (Ex. 7:14-25). Egypt's clean water had been sullied with blood by the hand of the Lord. The lesson of Marah was clear—the same hand that turned water into blood could turn bitter water into sweet. The same power that brought curses on Egypt could bring health to Israel.

If you have a seemingly impossible need today, remember that the hand that supplied your greatest need—forgiveness of sin—is the same hand that can adequately supply all your needs. Trust Him to accomplish things that seem impossible.

FROM THE DESK OF DREW

It was good to be here this past Sunday. Our numbers were up which is always a good thing. As school is starting back up and the vacation season is past us our numbers should rebound. It is always good to see those of number who have been out back with us again.

Next Wednesday night we have a special evening planned just for you. Well for those of you who like home made ice cream. Based on

the response that I got this past Sunday we are expecting a huge crowd! Come join us next Wednesday night for a night of worship and ice cream!

This Sunday we begin a new series of lessons entitled, "The Joy of Jesus." We will be looking at the book of Philippians. We will also begin a new series on Sunday night entitled, "War of the Worlds." I'll see you Sunday!

Whitsitt Elementary School

It’s that time of year again! When we
 try to help out our neighborhood school.
 What Whitsitt Elementary School needs
 more than supplies this year is the
 same thing they needed last year, gift
 cards to Thrift Smart or Wal-Mart for
 the children to have school uniforms (for those
 that can’t afford them). You can either purchase
 a gift card to Thrift Smart or Wal-Mart or give
 money to Mike or Sheila Sullivan; they will pur-
 chase gift cards to take to Whitsitt. We appreci-
 ate what ever amount you are able to give. The
 last day to give will be this Sunday, August 17.

A Letter to An aspirin Company

Dear Sir,

You manufacture aspirins that relieve suffer-
 ing, colds and fevers. The mixture used in your
 tablets makes it possible for people to get out of
 bed and fight off headaches, bad nerves, and
 muscle spasms. I have noticed these tablets
 work wonders on Mondays, Tuesdays, Wednes-
 days, Thursdays, Fridays and especially well on
 Saturdays. BUT people who take them on Sun-
 days seem to get no relief. They cannot get rid of
 their aches and pains and are not able to attend
 Sunday school and worship.

Is it possible for you to examine your tablet
 and put in it an ingredient that will work on Sun-
 days?
