

The Dark Side Revealed

Numbers 32:23

Introduction

- The dark side, ultimately in any one, will always be revealed. It may be revealed on earth. It may be revealed in eternity, but it will always be revealed some way.
- As a warning, Moses said this, "See to it that you do, but if you don't, be sure your sin will find you out." In that statement we learn three things about the dark side that ought to give us caution before we ever decide to enter into it.
