

# **The Dark Side Confronted**

**Hebrews 12:5-11**

## **Introduction**

- This may surprise you, but both a follower of Jesus Christ and a non-follower of Jesus Christ can enter into the dark side. Both a child of God and someone who has no relationship with God can enter into the dark side, but here is the difference. The child of God cannot enter into the dark side without God confronting him and disciplining him.
- I want to share with you how God confronts us and I am talking about His children when we enter into the dark side.
