

# From Grief to Glory

## Romans 8:18-25

### Introduction

- It doesn't take a rocket scientist or a brain surgeon to figure out something is desperately wrong with this world; both the world of nature and the world of humanity. Now the Bible tells us that what is wrong with this world is guilt. But the Bible gives the solution to guilt, which is grace.
- What this world needs to do is to move from guilt to grace, and from grief to glory. That is exactly what the sainted Apostle Paul is dealing with in this precious passage of scripture.

### Discussion

#### ◇ The Grief We Suffer

- Romans 8:18

#### ◇ The Groaning We See

#### ◇ The Glory We Seek

### Conclusion

- So will end the story of this world and the people who live in it who love the Lord Jesus. It began with goodness. It sank into guilt. It fell into grief. It was redeemed by grace, and one day will be ushered into glory.
