

# Is it Too Late for America?

Psalm 80:8-19

## Introduction

- Is it too late for revival? Is too late to turn America back to God? Is too late for the salvation of our nation? We look at a nation that needs a fresh touch from God and we remember how America was founded.
- America is unique among the nations of the world. America was founded on the principles of the Word of God. No matter what modern historians may do to try to remove that thought from the minds of young people, it is a historical fact that America was founded upon the principles of the Word of God.

## Discussion

### ◇ God's Design for His People

- Psalm 80:8-11

### ◇ God's Disgust with His People

- Psalm 80:15-16

### ◇ God's Deliverance of His People

- Psalm 80:17-18

## Conclusion

- Will you be one who will stand up for God? Will you be one who will seek the face of God? Will you be one who will say, "It's my responsibility to be what God wants me to be?" Revival begins with a house of God with people just like you and people just like me who recognize that its time to repent, that the hour is late and who are willing to stand and say, "God, here am I, send me."
