

Never Give Up on God

Matthew 7:7-12

Introduction

- Jesus makes a promise about prayer in the passage we are going to study, which is one of the greatest promises in all of the Bible. But it is a promise that is based on never giving up on God.
- Jesus made a dogmatic, dynamic, definite statement about prayer that assumes one very final vital fact that God hears and God answers prayer. Now if that is true, then we can do no more than pray until we pray, but we can do so much more after we pray when we pray. But you can never give up on God, and there are two commands that Jesus gives to us, both as evidence that we do not give up on God, and as reasons we should not give up on God.
