

# The Loss of the Harvest

Jeremiah 8:20

## Introduction

- Who is the best known person in the world today?
- Someone has well said that they have no fear that the church will not succeed, but that it will succeed in those things that do not matter. No matter how many barns are built, how much cattle is bought, how much seed is sown, or how much land is cultivated, the farmer is a failure who does not bring in the harvest.
- I want you to see in this text before us three things about the loss of the harvest.

## Discussion

### ◇ The Reality of the Loss

- Jeremiah 8:20a

### ◇ The Reason for the Loss

- Jeremiah 8:20b

### ◇ The Result of the Loss

- Jeremiah 8:20c

## Conclusion

- There are people all around us and all over the world who are slipping through the jaws of death into a Christ-less eternity. Would you say with me today, "We will join hands for the harvest that people might come to Jesus?"
